

# Swim England East Region Coach Development Day

## Coaching the Next Generation – Age Group Coaching

10-4pm Sunday 25<sup>th</sup> March 2018 - Freckenham Village Hall IP28 8JB

Our first coach development opportunity of 2018 is targeted primarily at coaches who work with age group athletes. We would encourage all level one coaches, as well as level two age group coaches who work with age group swimmers to attend this day. The key areas will be centred around managing difficult conversations, construction of sessions for age group swimmers and the growth and development of age group swimmers.

The event will be supported by staff from both Swim England East Region and the England Programmes Talent Team. The event is free of charge and lunch will be provided for attendees.
